Beschreibung

The Aquila 32 Sport Emperatriz is a motor catamaran designed for an exceptional day at sea along the Costa Blanca, whether with family, friends or for a special celebration. It combines the agility of a motorboat with the stability and generous space of a catamaran, offering a comfortable experience both underway and at anchor.

With capacity for 12 guests + skipper on a day charter, it is a great choice for those looking for a spacious, comfortable and highly sociable boat. Its outdoor areas are ideal for sunbathing, feeling the breeze from the bow, relaxing during the cruise or enjoying an informal meal on board thanks to its folding table and comfortable seating.

At the stern, the bathing platform with deck shower makes access to the sea easy and safe, perfect for swimming in crystal-clear waters, enjoying relaxed stops or simply making the most of the Mediterranean at your own pace. The boat also features a sunbathing area, awning, exterior fridge, Bluetooth and teak cockpit, adding practical comfort to the experience on board.

Exploring the Costa Blanca from Alicante aboard the Aquila 32 Sport Emperatriz is a wonderful way to discover coves, cliffs and turquoise anchorages from a privileged perspective. It is a boat made for relaxed day cruising, good company and a comfortable, stable and memorable charter experience.

The boat is chartered with a mandatory skipper, allowing guests to focus entirely on enjoying the sea, the cruise and every moment on board.
