Beschreibung

AVENTURA 36 SPACE, Built 2007 | Owner’s version | 3 double cabins / 2 heads | One owner from new | Lying in Western Turkey

This 2007 Aventura 36 Space is a 10.89 m sailing catamaran built by STGI Aventura Catamarans. She has had one owner from new and spent her first twelve years in fresh water before moving to the Mediterranean in 2019. Her customised owner’s layout offers a spacious saloon of about 25 m², three double cabins – including a private starboard master with separate shower – and two electric heads.

She is well equipped for comfortable cruising: JRC radar, Simrad 12″ chartplotter, Raymarine autopilot, AIS, watermaker, solar panels and two Wallas heaters. In 2025 she completed a full maintenance programme on land, including antifouling, polishing and a rebuild of both saildrives, and in 2026 her electrical system was renewed with new AGM batteries, a Victron charger and a 2 kW inverter. Located in Yeni Foça, İzmir, Turkey.

Asking price: 125,000 Euros

Main Features

Owner’s version – 3 double cabins, private master with separate shower
Customised saloon layout of approx. 25 m²
2 x Nanni 3.75HE diesel engines – 2 x 21 HP, saildrives (both rebuilt in 2025)
Genoa on drum furler in addition to the staysail, and symmetrical spinnaker with its own rigging
JRC 1000MK2 radar
Simrad 12″ chartplotter (2017)
Raymarine autopilot
Raymarine 73 VHF (2019) and AIS (2026)
Italian 12 V watermaker – 30 lt/hr (2019)
