Unterhaltungsgeräte	**Radio, Fernseher (APPLE TV + SATELLITE)**
Sicherheit	**Rettungsinsel**
Persenninge	**Bimini-Top**

Beschreibung

AZIMUT 62 EVOLUTION - THE ITALIAN FLYBRIDGE THAT COMBINES PERFORMANCE WITH SERIOUS COMFORT

Built by the Italian yard Azimut, this 2007 62 Evolution represents the flybridge generation that made the brand's name: taut lines, generous interior volumes and reassuring sea manners. At 19.86 m overall, with three cabins and twelve people allowed on board, she sits squarely in the family cruising bracket while keeping a high level of equipment. Offered at €549,000 VAT paid.

Construction and sea manners

Polyester hull with PRV - fibreglass deck for a 33,000 kg displacement that holds its own in flat water and chop alike. A 5.06 m beam opens up a genuinely liveable platform, while the 1.51 m draft allows sheltered anchorages. Teak cockpit, bathing platform, hydraulic gangway and davits round out an aft area designed for life at anchor.

Engines and performance

Power comes from CATERPILLAR C 18 engines rated 1050 HP, seawater cooled, on shaft drive, with 1,400 hours recorded. Cruising speed is quoted at 25 knots, with 3,400 litres of diesel and 800 litres of fresh water for real cruising range. Bow and stern thrusters make harbour work straightforward, and the 20 KVA generator supports the full comfort package at anchor. Below, three cabins and eight berths.

Inventory

- CATERPILLAR C 18 1050 HP, seawater cooled, 1,400 h (2007)
- Bow thruster
- Stern thruster
- Autopilot
- Compass
- Depth sounder
- GPS
- Radar
- Speed log
- Wind instrument
- VHF
- Navigation station and repeater
- Liferaft
- Bilge pumps
- Batteries and service batteries
- Battery charger
- 20 KVA generator
- Shore power connection
- 12V, 24V and 220V circuits
- Anchor and electric windlass
- Davits
- Antifouling
- Hot water
- Bimini
- Bathing ladder and bathing platform
