Beschreibung

The Bali 4.4 ‘Olivia’ is designed to let you enjoy the sea to the full, in complete comfort and in the open air. With a length of 13.75 metres and a beam of 7.4 metres, this catamaran offers generous outdoor spaces that are spacious, comfortable and perfect for relaxing at any time of day.

At the stern, you’ll find a large deck that connects directly to the yacht’s interior, creating a single open space, ideal for dining, relaxing or sharing unforgettable moments with family and friends.

At the bow, unlike other catamarans which feature a sunbed, the ‘Olivia’ offers a relaxation area with sofas, sun loungers and a table – an ideal spot for sunbathing, reading a book or simply enjoying the sea breeze and the views.

On the upper deck, the flybridge (a raised terrace) is fitted with comfortable cushions and a second helm station. From here, you can relax with a drink and admire the scenery from the highest point on board.

Every detail has been designed to ensure ease of movement and safety, with wide, well-planned walkways throughout the boat. Whether you’re sailing or moored in a quiet cove, the Bali 4.4 ‘Olivia’ offers plenty of spaces to enjoy the sea in complete freedom and comfort.

The next level of sailing in Ibiza starts here. Book your Bali 4.4.
