Sicherheit	**Feuerlöscher**

Beschreibung

BEECHCRAFT 14.50 - A STEEL MOTOR YACHT BUILT FOR LONG-RANGE CRUISING AND LIVING ABOARD

At 14.65 metres with a steel hull, this 1990 BEECHCRAFT 14.50 belongs to the breed of sturdy motor yachts designed to travel far and be lived in year-round. French flagged, category A, she offers rare interior volume for her size along with a remarkably complete domestic fit-out. Price: 79 000 € VAT paid.

Build and seakeeping

The steel hull, combined with a generous 4.20 m beam, gives real stability and strength, offshore as well as on coastal passages. Decks are finished with non-slip, and antifouling has been applied. Twin wheel steering, inside and outside, allows helming in all conditions.

Power and accommodation

Twin DAIMLER BENZ diesels on shaft drive with bronze propellers deliver a 6-knot cruising speed and 11 knots top speed. The 1,300-litre fuel capacity allows long legs. Below, 2 cabins and 6 berths, twelve persons allowed aboard, and a domestic specification worthy of an apartment: full galley, air conditioning, WEBASTO heating and two electric heads.

Equipment

- DAIMLER BENZ diesel engines - good condition
- Bronze propellers
- 2 engine batteries
- Battery charger
- Generator
- Solar panels
- Antifouling
- Fire extinguishers
- Beacon / handheld VHF
- Windlass
- Anchor
- Bilge pump
- Twin wheel steering (inside / outside)

- Freezer
- Microwave
- Oven
- Dishwasher
- Washing machine
- Air conditioning
- WEBASTO heating
- 2 TVs
- DVD player
- 2 electric heads
- VHF
- GPS
- Autopilot

An opportunity not to be missed

Few boats at this price combine a steel hull, twin engines and this level of comfort. Ready for rivers, the coast or full-time life aboard.
