Beschreibung

The Brig Eagle 650 – an ultimate family-friendly rigid inflatable boat that perfectly blends thrilling performance with comfort. At 6.5 metres long with a generous 2.5-metre beam, this spacious RIB comfortably seats 8 adults while safely carrying up to 12 passengers. Its deep-V hull slices through chop with confidence, whilst delivering a smooth ride.
Powered by a Suzuki 200hp outboard, the Eagle 650 has premium Hypalon tubes for durability and offers exhilarating performance, whilst still achieving an average of (approx 9.5 litres per hour) she has a 200-litre fuel tank provides excellent range for full-day adventures without constant refuelling.
Available for viewing now please contact us on 01305 818541
