Beschreibung

Terschelling is a 40-metre former Dutch buoy-laying vessel that has recently undergone a comprehensive conversion, completed under class, into an exclusive Arctic expedition yacht. Combining robust commercial-grade construction with a high standard of luxury, she accommodates up to 12 guests in six comfortable cabins. Ideally suited for luxury expeditions, private use or charter operations. The existing business, including its operational activities and commercial opportunities, may also be acquired, offering a unique turnkey expedition enterprise with immediate earning potential.

Hans Visser at De Valk Hindeloopen is your go-to contact for any questions. Feel free to give us a call.

We provide only a selection of key information on this platform. For complete details, please visit our website, where you'll find:
