Beschreibung

Step aboard the Catana 53 “Ambian’C” and experience the Mediterranean with elegance, freedom, and personalised service. Based in Mahón (Menorca), this exceptional catamaran also offers flexible embarkation from other points in Menorca and Mallorca upon request, with a transfer supplement.

This owner’s version Catana 53, refitted in 2024, blends high-performance sailing with exceptional onboard comfort. With 18 metres in length and over 8.5 metres of beam, it delivers powerful yet stable sailing, ideal for both relaxing coastal cruising and longer island passages.

The interior layout includes 3 cabins: 2 double cabins and 1 with twin beds, providing accommodation for up to 6 guests. The standout owner’s suite to starboard is spacious, stylish and private — a peaceful retreat at sea. Interiors are bathed in natural light and finished with quality materials that create a refined, contemporary atmosphere.

A professional crew of two — captain and hostess — is included, ensuring attentive and discreet service from the moment you step aboard. From navigation to onboard comfort, everything is taken care of so you can simply relax and enjoy the journey.

“Ambian’C” is equipped with premium features to maximise comfort and autonomy:

Air conditioning throughout

Watermaker for freshwater independence

Solar panels

Inverter

Bow thruster

Exterior speakers

Bimini, cockpit shower, awning, swim platform

Highfield tender with Honda 20 HP outboard

Under sail, she offers top-level performance thanks to her fully battened mainsail, self-tacking solent, Code 0, and asymmetrical spinnaker, all in durable Hydranet. Her curved retractable daggerboards improve upwind ability while maintaining shallow draft access to secluded anchorages.

Chartering from Menorca gives you access to one of the most unspoiled coastlines in the Mediterranean — turquoise coves, marine reserves, and peaceful villages only reachable by sea. You can also sail towards Mallorca, adding cultural variety and vibrant port stops to your itinerary.

The Catana 53 “Ambian’C” is more than a catamaran — it’s a private and luxurious way to experience the Balearic Islands.

Book now and let the elegance of the sea carry you through the beauty of Menorca and Mallorca.
