Technische Ausstattung	**Bilgenpumpe, Positionslampen**
Segeln	**Genua, Großsegel, Spinnaker, Sturmfock**

Beschreibung

Boat OverviewThe evergreen (lime) Corby 35 NJOS based in Plymouth, Devon in the UK, is now looking for a new owner. She has been lovingly campaigned by Tim and Nicky for the last 23 years.
They have constantly updated her and she benefits from having a sail loft named after her meaning the sails are in great condition and ready to continue winning races.
Room for optimizing still under IRC you will have yourself a race winner which has just had the bottom cleaned and a new layer of antifoul applied (Oct 2025).
You won't find many performance yachts on the market offering so much bang per buck.
Original DetailsBuilt in 1993 by David Naylor for David Cummaford. Foam/carbon. Quite light by modern standards and originally considered radical with its bulb keel, asymmetric spinnakers on retractable sprit, non-overlap jibs and swept spreaders without runners.
UpdatesKeel and bulb (Corby Design Henry Irons build) 2007
Z Spars mast and boom 2012
Standing rigging 2020
Rudder (Corby Design) 2010
Complete electrics (including engine) 2019
Custom aluminium stanchions 2018
EngineOriginal Beta 18 removed and refurbished 2010
