Beschreibung

Unique opportunity to acquire a Cranchi M44 in perfect condition, available in El Masnou (Barcelona) and with an exemplary maintenance history. This vessel, built in 2017 and launched for the first time in 2018 named “Medusa”, has been used occasionally for charter, always managed by a professional company that has maintained the boat with the utmost care, performing regular maintenance and continuous updates.
The result is a vessel that presents impeccably, ready to sail, with no immediate investment needed.
With a total length of 13.80 m (hull length 12 meters) and a beam of 4 m, the Cranchi M44 combines sportiness, spaciousness, and an ideal layout for comfortable cruising with family or friends. It features two double cabins, one with a double bed and another with twin beds convertible into a double bed, and two full bathrooms, allowing overnight stays for up to 5 people, and a maximum capacity of 12 people during the day
In terms of equipment, this unit stands out for offering a complete package of comforts and technology on board:
Air conditioning and heating

Generator

Very spacious teak swim platform

Teak cockpit, soft top covering the entire cockpit area. In the cockpit area, there is a sunbathing area at the stern, a comfortable table next to the helm.

Electric anchor windlass and bow thruster

Complete electronics: autopilot, GPS, plotter, wind equipment, VHF, sounder, speedometer

Equipped interior kitchen: oven, gas stove, microwave, refrigerator, etc.

2 additional electric refrigerators

Onboard entertainment: audio system, interior and cockpit speakers, TV

This boat represents an excellent combination of performance, comfort, and efficiency, ideal for both private use and for those who value a vessel ready to continue charter activities.
“Medusa” is available for visits by appointment. If you are looking for a sporty line boat, with versatile spaces, a high level of equipment, and impeccable condition, this Cranchi M44 is undoubtedly an opportunity to consider.
