EXCEPTIONALLY WELL-MAINTAINED FÆNØ 36 – DANISH BOATBUILDING CRAFTSMANSHIP AT A VERY ATTRACTIVE PRICE

This Fænø 36 is offered as part of a deceased estate sale. Due to special circumstances, the asking price has been reduced to significantly below our assessment of her market value. This is an opportunity to acquire an exceptionally well-maintained boat showcasing classic Danish craftsmanship at an attractive price.

The boat is available for prompt handover. Contact Yachtbasen for further information or to arrange a viewing.

Please note: The boat is being sold by a deceased estate.

This beautiful Danish classic is comparable in almost every respect to the Nauticat 36-37.

It is furnished with a large, beautiful wheelhouse with an indoor steering position and a cozy L-sofa, from which life in the harbor can be followed. Below deck there is a salon with a dining table and pantry and a forepeak with a double berth. Toilet in the middle passage between the salon and the forepeak. In the salon, 2 berths can be made so that you have a total of 4 good berths

It has been continuously updated by the previous as well as the current owner with, among other things, new batteries, a new foresail, a new lighthouse, complete varnishing of all outdoor woodwork so that it is in very good condition. And much more.

Contact Yachtbasen for more information and to arrange a viewing.
