Beschreibung

Remarks :
This 1993 Falcon 80 is a well-maintained example of the popular Italian flybridge motor yacht series, offering strong performance, spacious living areas and a practical 4-cabin guest layout plus separate crew accommodation. Powered by twin MAN 1000 HP engines with approximately 2350 hours, the yacht cruises efficiently and is supported by two Onan 22 kW generators with around 4200 hours. Additional equipment includes a Delphin 360 L/h watermaker, full Techma electric toilets, bow and stern thrusters, teak decks, solar panel and an electric windlass with 120 m chain. Interior features air-conditioning, heating, full galley appliances and ample storage. A 3.80 m Zodiac tender with 40 HP Yamaha is included. Lying Bodrum and available for viewing.

Accommodation :
This Falcon 80 offers a comfortable 4-cabin guest layout with 3 double cabins and 1 single cabin, providing 7 berths in total. Three double cabins are en-suite, with an additional head and shower serving the single cabin. Separate crew quarters forward provide 4 berths, ensuring privacy between guests and crew. The interior is fully climate-controlled with air-conditioning and heating, and benefits from a 2000 L freshwater capacity, Techma electric toilets throughout and a well-equipped galley. Spacious saloon and flybridge areas create generous social spaces for family cruising or guest entertaining.
