Beschreibung

Refitted in 2021 and maintained in turnkey condition by a full-time professional crew under the continuous supervision of a naval engineer, this 2006 Falcon 86 Flybridge is offered VAT Not Paid and represents an outstanding opportunity for buyers seeking a professionally operated motor yacht.

Powered by twin MTU 16V 2000 M90 2,000 HP shaft-drive diesel engines with approximately 2,800 recorded engine hours at the time of listing, she is equipped with twin Onan 22.5 kW generators, a watermaker, bow and stern thrusters, Raymarine navigation suite, Besenzoni electro-hydraulic passerelle, Highfield 4.20 m RIB with 70 HP Yamaha outboard and comprehensive safety equipment.

Accommodation for up to eight guests in four en-suite cabins, together with dedicated quarters for five crew, makes her equally suitable for luxury private cruising or charter operations.

A detailed PDF presentation, complete equipment specification and additional photographs for Alvea REF1660 are available upon request through Alvea Yachts. Private viewings of this used Falcon 86 Flybridge for sale can be arranged by appointment.
