Beschreibung

Luxury yacht – exclusively used in freshwater

Immaculately maintained · For sale solely due to the owner’s age · Onboard Wi-Fi · Extensive extras · Excellent condition

This exceptionally well-maintained 2018 Galeon 420 Fly is offered for sale solely due to the owner’s age. The yacht has been used exclusively in freshwater on Lake Constance and combines a spacious layout, premium materials and extensive equipment with outstanding comfort. Integrated onboard Wi-Fi provides convenient connectivity while cruising. An ideal yacht for buyers who value meticulous care, generous equipment and a refined atmosphere.

Comfort and Equipment
The bright saloon features elegant walnut woodwork, high-quality faux-leather upholstery, luxurious wooden flooring, a versatile inlaid dining table and atmospheric star-effect ceiling lighting. A retractable TV in the saloon, a second TV in the bedroom, and radios and speakers in both the saloon and on the flybridge provide entertainment on board. The galley includes an induction hob and a dishwasher. Stylish blinds and Roman shades complete the sophisticated interior.
The flybridge offers comfortable seating for relaxing outdoors. An electric grill and refrigerator make entertaining especially enjoyable. The flybridge has a full enclosure with all-round windows that can be opened fully or in sections. A spacious sunpad is located on the foredeck. The enlarged teak-covered bathing platform provides convenient access to the water.

Technical Specifications and Practical Extras
• Length 13.25 m · Beam 4.16 m · Draft 0.80 m · 3 cabins
• 2 × Volvo Penta D4-300 · approx. 330 engine hours (please update before publication)
• Bow and stern thrusters with joystick control
• Raymarine EV-1 ACU 200 autopilot with P70RS control unit and remote control
• Raymarine Axiom 12 RV-EU, Axiom 9 with transducer, Q24 radar and reversing camera
• 2 × Webasto heating systems · 2 × air-conditioning units (33,000 BTU) · Generator 9000
• Ambient LED lighting inside, at the flybridge stairs and in the cockpit; underwater lighting
• Deck wash system, stainless-steel anchor with 5 m stainless-steel chain, fender holders and searchlight
• Lake Constance grey-water tank with pump-out connection, insect screens and full winter cover

Care and Maintenance
The yacht has been maintained regularly in accordance with its service schedule. According to the available records, osmosis protection and antifouling were carried out in May 2023. The care taken throughout its ownership is reflected in its excellent overall presentation.

A special opportunity to acquire a superbly equipped freshwater yacht. Viewings and further information are available on request.
