Beschreibung

We are pleased to offer this brand new Integrity Trawler 'Euro Trawler SX range 340SX'! The price includes 25 % EU VAT and delivery to Denmark. The Integrity Trawler is partially custom-built, according to the buyer's wishes.

The Integrity Trawlers are available in sizes from 34 - 80 feet. There are 18 different models and designs, all built in fiberglass. The Integrity Trawlers are **characterized by extremely low fuel consumption** and good seaworthiness. All models are built in category A or B for the European market with CE certificate. The Integrity Trawler is a perfect choice for long-distance blue ocean or canal sailing.

Integrity-Yachts is a reliable and very experienced company with many years of experience in the production of Trawlers since 1981. The yard's factory is located in Guangzhou, China, just two hours from Hong Kong.

All models can be **partly built according to special wishes in terms of style and specifications**, so that you can furnish your own Integrity Trawler **(semi custom built).**

The time frame is approximately 1 year delivery time from order to delivery in Denmark.

Please contact Yachtbasen for any further information.
