Beschreibung

Itama 40 – Iconic Italian Open Yacht with Upgraded Engines and Excellent Condition

A Refined Example of Italian Open Yacht Design

The Itama 40 represents one of the most iconic expressions of Italian open yacht design, combining timeless aesthetics, sporty performance, and elegant simplicity. This unit is maintained in excellent overall condition and benefits from a careful ownership history and significant technical upgrades.

Originally purchased from the first owner in 2007, the yacht remained in shipyard storage until 2014. After being acquired by the current owner, she underwent a complete technical and cosmetic restoration, ensuring she returned to a fully efficient and visually immaculate condition.

Upgraded Performance & Reliable Engineering

A major enhancement carried out during the refit includes the complete replacement of the propulsion system. The yacht is now powered by two MAN 450 HP engines, currently with approximately 450 running hours, offering reliability, smooth cruising, and strong offshore performance.

This upgrade significantly enhances the yacht’s value and ensures a modern, efficient, and dependable navigation experience.

Navigation & Technical Equipment

The Itama 40 is equipped with essential and functional navigation systems designed for safe and intuitive operation:

GPS
Plotter
VHF Radio
Compass
Helm display system
Navigation lights
Rudder angle indicator

This configuration ensures precise control and confidence at sea, whether cruising coastal waters or enjoying offshore navigation.

Exterior Comfort & Deck Layout

The yacht features a classic open layout designed for outdoor living and relaxation:

Teak cockpit and deck areas
Spacious cockpit with table
Sunbathing cushions
Cockpit sink
Bathing platform
Electric windlass
Bow thruster
Electric flaps
Tender-friendly platform access
Protective bimini top

The layout ensures a perfect balance between functionality and Mediterranean lifestyle comfort.

Interior Comfort & Onboard Systems

Below deck and in service areas, the yacht offers essential onboard comfort systems for daily use and weekend cruising:

Hot water system and boiler
Electric marine toilet
Internal and external refrigerators
Fully equipped galley with stove and oven
12V and 220V internal sockets

The interior is designed for practicality, ensuring a comfortable onboard experience without compromising the yacht’s sporty identity.

Entertainment Equipment

AM/FM Radio system

A simple and functional entertainment setup aligned with the yacht’s sporty and minimalist philosophy.

A Rare Opportunity on the Market

Well maintained, extensively upgraded, and presented in excellent condition, this Itama 40 represents a strong opportunity for buyers seeking a classic Italian open yacht with modern reliability, elegant lines, and proven performance.

A perfect choice for Mediterranean cruising and stylish day boating.
