Beschreibung

The Bavel V is a motor yacht ideal for those looking to charter a modern, spacious and comfortable boat in Ibiza. Its walkaround main deck offers an open and versatile layout that maximises space and freedom of movement.

The central area features a dinette with swivel seats, an extendable table and a fully equipped outdoor galley, all sheltered by an elegant hardtop with side panels. In addition, the hydraulic side platforms extend the deck area, creating a genuine terrace over the sea.

At the stern, you'll find a comfortable sun deck with direct access to the hydraulic swim platform, perfect for enjoying the water. At the bow, a second sun deck invites you to relax in the sun in complete privacy.

The interior surprises with its spaciousness and brightness, featuring two double cabins and a full bathroom with a separate shower. The headroom, ventilation and quality of the materials create a sense of sophisticated comfort.

The DB43 is the perfect choice for those who wish to sail in style, whether with family or friends, combining elegance, functionality and excellent performance on every outing.
