Beschreibung

With its rugged cliffs, hidden coves and crystal-clear waters, Corsica is one of the most captivating sailing destinations in the Mediterranean. Aboard the Lagoon 43 “Ropes” (2026), you’ll be able to experience it in full freedom: this catamaran is available bareboat, giving you complete independence to plan your own adventure.

Measuring 13.85 m in length with a 7.69 m beam, “Ropes” offers excellent stability and generous space, whether under sail or at anchor. Its interior layout is ideal for families or groups, featuring 4 double cabins and 4 electric toilets, comfortably accommodating 8 + 2 + 2 guests. The saloon can also be converted into a double berth, adding even more flexibility.

Life on board is comfortable and well-equipped: enjoy the bimini, flybridge, cockpit cushions, cockpit table, outdoor shower, dinghy with outboard, swim ladder, and gangway—everything you need to make the most of the outdoors.

The galley is fully fitted with oven, microwave, stove, refrigerator, freezer, and hot water, making it easy to cook and enjoy meals on board.

Navigation and autonomy are taken care of with autopilot, GPS chart plotter, wind instruments, depth sounder, VHF, electric winches, and electric anchor windlass. The boat also features a watermaker, solar panels, USB ports, 12V outlets, and a battery charger, offering solid onboard energy autonomy.

The Lagoon 43 “Ropes” is an excellent choice for sailors who want to explore the natural beauty of Corsica at their own pace, without a skipper, aboard a modern, well-equipped catamaran.
