Beschreibung

The Lagoon 450 F “Cassiopeia II” is a spacious and well-balanced catamaran, offering an excellent combination of comfort, layout and value for a memorable sailing holiday.

Available for charter from Corfu, she is perfectly positioned to explore the crystal-clear waters and lush landscapes of the Ionian Islands, cruising between sheltered anchorages and charming seaside villages.

Her layout is designed for larger groups, featuring 4 double cabins with en-suite bathrooms, 2 forepeak cabins, and a convertible saloon, accommodating up to 12 guests overnight. This configuration makes her ideal for families or groups of friends seeking space and flexibility on board.

The Lagoon 450 F offers generous outdoor areas, including a protected cockpit with dining space and an elevated flybridge, providing excellent visibility and a relaxed atmosphere under sail. The interior is bright and practical, with a comfortable saloon and a fully equipped galley suitable for extended stays.

She is equipped with air conditioning, generator and watermaker, ensuring comfort and autonomy both at anchor and in marina.

The yacht is available bareboat for experienced and licensed sailors, or with skipper for those wishing to enjoy a more relaxed and carefree charter experience.
