Beschreibung

The Lagoon 46 “Movelli” (2023) is a modern and spacious catamaran available for weekly charters from Portocolom. Her location is ideal for a circular itinerary around Mallorca, exploring the island’s stunning east coast or crossing to Menorca during a one-week cruise.

She accommodates up to 12 guests overnight, featuring 4 double cabins, a convertible saloon, and 2 single forepeak cabins. These forward cabins can be used by professional crew when chartered with skipper, or by additional guests in bareboat charters.

The Lagoon 46 is known for her generous beam and stability, offering a protected cockpit with outdoor dining area and an elevated flybridge with excellent visibility while sailing. The bright interior includes a spacious saloon and fully equipped galley, creating a comfortable atmosphere both underway and at anchor.

She is fitted with air conditioning, generator and watermaker, ensuring autonomy and comfort throughout the charter.

The yacht is available bareboat for experienced sailors, or with professional skipper for guests who prefer a more relaxed and guided experience while exploring Mallorca and Menorca.

Departing from Portocolom provides access to crystal-clear coves, sheltered anchorages and some of the most attractive cruising grounds in the Mediterranean. The Lagoon 46 “Movelli” offers space, comfort and a perfect base for discovering the Balearics by sea.
