2020 Leopard 40 3 Cabin - Game Day
BUILDERS REMARKS: The Leopard 40, a product of South African boat builders Robertson & Caine, features a unique, modern design thanks to experienced naval architects Simonis and Voogd as well as Robertson & Caine's design team. She resembles her predecessors in speed, agility, and blue-water performance, but her enhancements include an increased hull volume and an innovative interior layout, which is unlike any Leopard before her. Her galley is located forward and the forward-facing settee and window and an access door to the forward platform of the boat. This allows for a panoramic view with large sliding glass doors between the saloon and the aft cockpit. This arrangement promotes easy communication for guests and an open flow between the saloon and the aft cockpit, creating a fusion of indoor and outdoor living space.
BROKERS REMARKS: Game Day is a 2020 Leopard 40 in the 3-cabin owners layout, located in Tortola, British Virgin Islands. Asking price is USD 319,000. Twin Yanmar 3YM30 AE engines, Northern Lights 6 kW generator, air conditioning, electric davits, and forward walk-through door. Lighter ash interior. Lighter usage during recent years has left engine hours lower than many sisterships.

AVAILABILITY: This yacht can be sold with a phase out or sold AS IS / WHERE IS. Contact the Fort Lauderdale office to schedule a viewing.
