Beschreibung

2019 Leopard 40 4 Cabin - Araume IV

BUILDERS REMARKS: The Leopard 40, a product of South African boat builders Robertson & Caine, features a unique, modern design thanks to experienced naval architects Simonis and Voogd as well as Robertson & Caine's design team. She resembles her predecessors in speed, agility, and blue-water performance, but her enhancements include an increased hull volume and an innovative interior layout, which is unlike any Leopard before her. Her galley is located forward and the forward-facing settee and window and access door to the forward platform of the boat. This allows for a panoramic view with large sliding glass doors between the saloon and the aft cockpit. This arrangement promotes easy communication for guests and an open flow between the saloon and the aft cockpit, creating a fusion of indoor and outdoor living space.

BROKERS REMARKS: Araume IV is a 2019 Leopard 40 in the 4-cabin layout, located in Saint Lucia. Asking price is USD 309,000. Twin Yanmar 3YM30 AE engines (29 hp each), Northern Lights 6 kW generator, forward walk-through to the forward platform, and the 40’s open salon-to-aft-cockpit flow. Recently completed a survey-driven refit at the Saint Lucia base — full survey available to share. Offered after phase-out for the next owner.

AVAILABILITY: This yacht has finished phase out and is available for viewing. Contact the Fort Lauderdale office to schedule.
