Beschreibung

2022 ROBERTSON AND CAINE LEOPARD 50 - 5 Cabin Version – The Salty Ballers

BUILDERS REMARKS: With versatility in mind, we bring to you the next generation of Leopard Catamarans, the Leopard 50. She has been designed to replace one of the best-selling Leopard Catamarans of all time, the award-winning Leopard 48. The Leopard 50 has the ideal layout for anyone looking for more outdoor living space as she comes equipped with a flybridge that includes a lounge area, table, sunbed and optional exterior speakers and shade awning. Access is provided by floating stairs leading up from the aft cockpit. An important distinction compared to similar sailboat flybridge configurations is that while under sail, passengers can move about the flybridge with ample headroom and never worry about interference from the boom. The flybridge is also situated to still maintain contact with the helm station, an important feature found on all Leopard Catamarans.
BROKERS REMARKS: THE SALTY BALLERS is the youngest and only new interior colour scheme available to purchase and remain in fleet. She is the rarer 5 cabin layout. The forward cockpit and bright airy interior are the points that are most noted on viewing. Forward seating area, lounge on the hardtop, Yanmar engines, Northern Lights generator, watermaker, inverter and air conditioning.
AVAILABILITY: Available with management agreement to remain in fleet until 31st July 2026. Comes with guaranteed income and owner usage time. Please enquire for details.
