2019 ROBERTSON AND CAINE LEOPARD 50 - 5 Cabin Version – Believe

BUILDERS REMARKS: With versatility in mind, we bring to you the next generation of Leopard Catamarans, the Leopard 50. She has been designed to replace one of the best-selling Leopard Catamarans of all time, the award-winning Leopard 48. The Leopard 50 has the ideal layout for anyone looking for more outdoor living space as she comes equipped with a flybridge that includes a lounge area, table, sunbed and optional exterior speakers and shade awning. Access is provided by floating stairs leading up from the aft cockpit. An important distinction compared to similar sailboat flybridge configurations is that while under sail, passengers can move about the flybridge with ample headroom and never worry about interference from the boom. The flybridge is also situated to still maintain contact with the helm station, an important feature found on all Leopard Catamarans.
Believe is a 2019 Leopard 50 in the rare 5-cabin layout, located in Saint Lucia. Asking price is USD 619,000. Twin Yanmar 4JH57 diesels (57 hp each) with about 1,653 and 1,660 hours, Northern Lights generator (hours/date not shown), air conditioning, lighter ash interior, forward cockpit, and flybridge lounge on the hardtop. Forward cockpit and bright interior stand out on viewing. Offered with phase-out or AS IS / WHERE IS.

This yacht’s phase-out is almost complete and she is ready for handover to start the next adventure. Contact the Fort Lauderdale office to schedule a viewing.
