2021 ROBERTSON AND CAINE LEOPARD 50 - 4 Cabin Version – Dreamcat II

BUILDERS REMARKS: With versatility in mind, we bring to you the next generation of Leopard Catamarans, the Leopard 50. She has been designed to replace one of the best-selling Leopard Catamarans of all time, the award-winning Leopard 48. The Leopard 50 has the ideal layout for anyone looking for more outdoor living space as she comes equipped with a flybridge that includes a lounge area, table, sunbed and optional exterior speakers and shade awning. Access is provided by floating stairs leading up from the aft cockpit. An important distinction compared to similar sailboat flybridge configurations is that while under sail, passengers can move about the flybridge with ample headroom and never worry about interference from the boom. The flybridge is also situated to still maintain contact with the helm station, an important feature found on all Leopard Catamarans.
BROKERS REMARKS: Dreamcat II is a 2021 Leopard 50 in the 4-cabin owners layout (starboard-aft owners with walk-in shower), located in Road Town, British Virgin Islands. Asking price is USD 649,000. Twin Yanmar 4JH57 diesels (57 hp each) with about 1,988 and 2,002 hours, Northern Lights 9 kW generator (about 8,022 hours as of August 2025), air conditioning, lighter ash interior, forward cockpit, and flybridge lounge on the hardtop. Forward cockpit and bright interior stand out on viewing. Offered with phase-out or AS IS / WHERE IS.

AVAILABILITY: This yacht is now located in the BVI and can be sold AS IS / WHERE IS or with a phase out. Contact the Fort Lauderdale office to schedule a viewing.
