Beschreibung

2020 Leopard 58 - Andromeda
BUILDERS REMARKS: Nothing compares to cruising the sea aboard the Leopard 58, exclusively designed and built for The Moorings by Robertson and Caine. With a spacious, split-level floor plan featuring two cabins opening to a forward cockpit and four cabins below (all with private en-suite baths), the 5800 provides unforgettable sailing getaways for large groups.
Venture up to the enormous fly bridge and captain from the helm station with a 360-degree vantage point, all sail control lines within arm's reach, electric winches and a fully equipped Raymarine Navigation System. Performance under sail is nothing short of impeccable and made all the more pleasurable by fly bridge amenities including stylish lounge seating with an additional propane grill and wet bar/refrigerator.
Down below, you'll find spacious, teak-style decking, state-of-the-art equipment and air-conditioning, making this yacht an unrivalled leader in cruising comfort.
Inside the 5800, you'll discover a well-appointed galley with a large refrigerator, 2-drawer freezer, 4-burner gas cooker with oven & broiler, and microwave, offering the tools necessary for dining afloat. Meals can be enjoyed in the saloon, which includes plush wrap-around seating and a wet bar. The yacht also comes complete with 46” flat screen TV/DVD player, onboard WiFi, Apple TV, CD stereo with MP3 connection, as well as cockpit and fly bridge speakers.
BROKERS REMARKS: Andromeda is not just a name from the stars, she is one of the brightest, freshest Leopard 58 shining in today's market. As a 2020 model, she carries zero storm history and sits in absolute tip top, like new condition thanks to her youth and meticulous crew care. We fully expect her to find a new home in record time, and it is easy to see why.
What truly elevates her is the upgraded, cavernous owner's suite tucked aft on the starboard side, a dramatic improvement over every 2019 and older six cabin Leopard 58. This yacht comes with a tender, not shown in the photos. Extra ice maker for the bar on the FLYBRIDGE. Brand new teak table and 10 chairs for the aft deck dining area. RIB in excellent condition with underwater blue lights, upgraded seat coverings etc as well as water toys including paddle boards, kayak, water ski equipment. To say she is priced to sell is the understatement of the season. This is a stellar opportunity that will not orbit long..
AVAILABILITY: Left fleet in May 2026 This yacht is now entering full Moorings refit, prior to handover to buyer.
