Beschreibung

The Pershing 80 HT combines exhilarating performance with an elegant interior and the comfort of four en-suite cabins.
The foredeck lounge features a sunpad, seating and a sun awning, creating a private retreat even during the hottest part of the day. A generous aft sunpad offers another inviting spot to spend time outdoors. On the main deck, natural light highlights the fine materials and furnishings of the saloon, which features a spacious dining area and comfortable lounge seating. Accommodation includes a full owner’s suite with an en-suite bathroom and walk-in wardrobe, a spacious VIP cabin with its own bathroom, and two twin guest cabins, each with side-by-side single beds and an en-suite bathroom. Separate crew quarters provide added privacy for guests. The separate galley is fully equipped and includes a refrigerated cold room.
Onboard Equipment
Two generators, air conditioning, bow thruster, retractable passerelle, swim ladder, aft shower, garage, barbecue, liferaft, stereo system, TV and water heater.
Navigation Equipment
GPS, VHF radio, depth sounder, autopilot, radar and compass.
Maintenance and Upgrades
The yacht has been serviced regularly. The passerelle was refurbished in 2021 and all spotlights were replaced in 2022. The owner’s cabin was refitted and a Bose audio system installed in 2023. The Wi-Fi system was installed in 2024. The galley equipment has also been renewed and all three refrigerators replaced.
