Beschreibung

RHEA 27 OPEN V2Elegance, Comfort and Performance to Fully Enjoy Life at Sea**AMS Yachting is pleased to present this RHEA 27 OPEN V2**, combining RHEA MARINE's renowned French craftsmanship with timeless design and outstanding seakeeping qualities.
With its generous volumes, spacious cockpit and versatile layout, the RHEA 27 OPEN V2 is perfectly suited to days at sea with family or friends. Its large outdoor seating area provides plenty of room for guests and can quickly be transformed into a spacious sunbathing area, ideal for enjoying long days on the water.
Its **deep-V performance hull**, combined with a flared bow and distinctive stern, delivers a comfortable, stable and reassuring ride. The boat maintains excellent seakeeping in more demanding conditions while offering smooth and enjoyable handling.
The cockpit has been designed with both comfort and practicality in mind, featuring a **three-person aft bench seat**, two fold-down side benches and generous storage throughout. Three self-draining lockers are located beneath the U-shaped seating area, complemented by three large aft storage compartments, ensuring that everything can be kept neatly stowed away.
The ergonomic and comfortable helm station features a **two-person helm seat**. The anchor locker can be fitted with an electric windlass, while a stainless-steel waterski pole can be added for those who enjoy watersports.
Configuration Tailored to Your Cruising ProgrammeThe RHEA 27 OPEN V2 is offered with a **Suzuki outboard engine**, with the electronics package to be defined according to your requirements and intended use.
AMS Yachting will assist you in selecting the equipment and configuration of your boat, ensuring a specification perfectly suited to your expectations and cruising programme.
