Beschreibung

Introducing Safir – The New Electric Boat for Sustainable Canal Adventures

Step aboard Safir, our latest electric boat designed to take your Göta Canal journey to the next level. With Safir, we're moving closer to a fully electrified fleet, offering you a quiet, eco-friendly, and comfortable experience on Sweden's most beautiful waterway.

Why Choose Safir?
- **100% Electric Propulsion** – Enjoy peaceful cruising and let the sounds of nature take center stage.

- **Eco-Friendly Travel** – No exhaust, no emissions – just pure canal air and stunning scenery.

- **Modern Design & Technology** – Equipped with the latest electric motor, high-capacity battery, and intuitive joystick control.

- **Easy for Everyone** – Whether you're an experienced skipper or a first-time boater, Safir is easy to handle and requires no license.

- **Comfort Onboard** – Spacious layout, smart interior design, and all the amenities you need for a week-long adventure.

Safir is perfect if you:
- Want to travel sustainably and support a greener future
- Seek a unique nature experience along Sweden's iconic canal
- Value silence, comfort, and easy maneuvering

Book Safir today and be part of the future of boating!
All journeys start and end in Motala, and you'll always receive a thorough orientation before departure. Our support is available 24/7 if you need assistance during your trip.
