Beschreibung

SUNBEAM 29.1 (2026 Model)Price starting from €143,790 incl. VAT
The idea behind the SUNBEAM 29.1 was to design the ultimate weekend yacht—much more than just a day sailer. It offers MORE comfort and MORE versatility.
SUNBEAM 29.1, the ideal yacht, perfectly in sync with the times. The solution for shallow waters, the desire for a versatile boat that flexibly adapts to various conditions and lifestyles.
We also called upon our experienced team for the design of our latest model. Together, we created the ideal boat for the weekend. The perfect symbiosis of design, performance, and comfort: the new Sunbeam 29.1!
A superb, customizable sailboat, with the option for a GT version and a wealth of quality equipment.
