Technische Ausstattung	**Heckstrahlruder**

Beschreibung

Designed by Georg Nissen and built by Sunbeam Austria, this center cockpit cruising yacht has a lot to offer: excellent sailing performance and seakeeping, comfortable and safe with top-of-the-range build quality, and with her length of almost 16 meters, the interior space is more than enough for longer, comfortable stays on board. Very well equipped (bow and stern thruster, electric winches, heating, A/C and more). Easy to handle and very sturdy at sea. Very neatly maintained and ready for her new owner.

Tue Simon Fasting at De Valk Barcelona is your go-to contact for any questions. Feel free to give us a call.
