Beschreibung

This Sunseeker 88 offers accommodation for up to eight guests in four luxurious cabins: a master cabin, a VIP cabin, a double cabin and another with two single beds, all designed to offer maximum comfort and privacy.

Outside, the yacht features a variety of open spaces designed for relaxation and entertainment.

The spacious flybridge is one of its highlights: it features a fully equipped bar with barbecue, large sun loungers and an elegant dining area that can seat twelve guests. Its tilting and adjustable sunroof allows you to easily switch from sunbathing to refreshing shade, creating the perfect atmosphere at any time of day.

The aft deck offers an outdoor dining area with an intimate atmosphere and unbeatable sea views, ideal for leisurely breakfasts or sunset dinners. On the bow deck, large cushions and luxurious seating make this space a privileged spot to relax with a cocktail as the sun sets.

Inside, HALEY JANE stands out for its meticulous design: soft tones, exquisite furnishings and a sophisticated style that exudes understated luxury. Large windows bathe the rooms in abundant natural light and reinforce the connection with the sea, creating a warm, harmonious and elegant atmosphere.

On board, a crew of four professionals ensures that the experience is absolutely impeccable: a captain with in-depth knowledge of the Balearic Islands, a creative chef and two additional crew members dedicated to providing attentive and personalised service.
