Beschreibung

Tecnomar 100 launched in June 2011 and partial refit was done in 2019-2020. One Owner since new. Ex Vat. The main deck of Tecnomar 100 hosts the main salon, the dining area, the galley and the wheelhouse. The stylish interiors are have clean lines & lots of light. Natural light, visible across a great glass door, melts with the LED light under the furniture and the walls. The 5 cabins on the lower deck include the full beam master suite, 2 doubles and 2 twins all with ensuite facilities which can be accessed through the main staircase. The outdoor areas of Tecnomar 100 are surprisingly spacious for relaxing. In the bow there is a jacuzzi surrounded by sunbathing cushions and bench. In the cockpit there is a large table for 10, which drops down to convert to a wide sunbathing area.
