Beschreibung

This Valkkruiser Devotion 19.00 has an enormous amount of living space and comfort. With her new Kabola heating and new airco's she is well suited to live aboard for extended periods. And with a minimum air draft of 3,40m she can also cruise the French canals! She is easy to handle and manoeuvre with twin Vetus Deutz diesel engines with electronic engine controls and a powerful bow thruster. She has lots of renewings like a new teak imitation deck and a paintjob of the hull and superstructe in 2019. Why not book a viewing? She might well be the yacht for your next adventure!
